Love pay day. Despite the complexity, we know that your pay matters. For more than 20 years, we've supported American businesses with global pay and mobility across 150 countries. Do global payroll right with activpayroll.	CloudPay is focused on a single purpose—to deliver industry leading solutions spanning payroll, payments, and pay-on-demand. We serve more than 2,000 companies globally in 130+ countries handling \$24bn+ of payments in 110 currencies.	Ramco Global Payroll is a leading provider of comprehensive payroll solutions, trusted by more than 500 customers worldwide. Serving 150+ countries, we process 36 million+ payslips annually. Our award-winning artificial intelligence (AI) and machine learning (ML) technologies seamlessly integrate with major HCM partners, like Workday and Oracle HCM. Ramco's Payce, a revolutionary payroll product, can process 100 million records in less than 30 minutes.	UKG One View enables payroll teams to navigate complexities and ensure compliance across 160+ countries. With total flexibility and the freedom to choose your own provider or opt for managed services, One View unifies data and the employee experience, all within one global platform.	Zoho Payroll is crafted to manage payroll end-to-end in the United States for all 50 states. You can pay and file federal, state, and local taxes online. Automate your payroll, accounting, and expense management under one roof.
